And it is but HALF MILLION most natural that Mr. Long, through the position as one of the foremost advostanding with the president and his adbership on ways and means, which had the inception of the question this session, should be one of the chief, if not the chiefest, defender in Kamus this fall on the stump of the principle of recipros 13 with Culus. The indercement of the resident and his administration and of speciety with Cobs. made by the Resublican state convention held here a month since, was the strongest and most sized of all the state conventions of the country before or since. So Kansas is for reciprocity.
